

Who are we ?

A band that makes you #HappyRightNow

The Invisible Tuba is a Lisbon-based Dixieland band with a mission to entertain, uplift, and connect with audiences.

Their repertoire consists mostly of trad jazz classics, swing and calypso.

A **truly international band** reflecting the sign-of-the-times: Mattia Corda (**UK**) trumpet, Ricardo Quintas (**Portugal**) clarinet, Iris Ceulemans (**USA**) trombone, Simone Carugati (**Italy**) banjo, Pedro Gens (**Portugal**) drums, Heriberto Rojas (**Venezuela**) double bass.

"I love to light up parties and see how the energy of the guests changes during our set. By the time we step of the stage everybody is talking to each other and smiling - I love playing with this band!"

Mattia Corda - Band Leader
